Overview

This beautiful ranch is located just south of Camp San Luis, west of Cerro Romauldo mountain and nestled within the Nine Sisters, a chain of prominent volcanic peaks. The ranch is only 12 miles from Avila Beach to the south, 8 miles from Morro Bay Beach to the northwest, and despite its rural feel, is located just a few minutes from downtown San Luis Obispo.

The property is fenced and has no structures. A road which leads to the top of the mountain offers breathtaking 360 degree views and peaks of the Pacific Ocean. Several natural springs run through the property, as well as one Ag well which produced approximately 27 GPM at only 16 feet. Currently there are no crops grown on the ranch, but it has been leased in the past for cattle grazing. The soil is comprised of a mix of clays, loam and rock outcrop. The property is in the Williamson Act which offers a buyer a lower tax basis.

Approximately 40 acres of the property are flat or relatively flat, with the remaining rolling hills and breathtaking peaks. The ranch features several possible building sites for your dream home. Don't miss out on this opportunity to purchase an amazing piece of the central coast.
